

SPONSORSHIP PACKAGE

Sturgeonagriplexsociety@gmail.com

The Sturgeon Agriplex Society (SAS) is a registered non-profit society created to achieve the following objectives:

- Create a regional Agriplex facility capable of housing centralized activities.
- Provide access to a variety of local associations and groups, improving the overall quality of such infrastructure in Sturgeon County.
- Create and maintain a facility for the diverse use of agricultural and community events.

Since 1993 the Sturgeon Agriplex Society has been able to build a facility from the ground up thanks to support from the community, government grants, corporate grant programs and most importantly generous sponsors like you.

The attached sponsorship package outlines opportunities for your organization to assist the Society in maintaining and growing its presence in the community. The facility draws numerous members and users who are residents of Sturgeon County and surrounding municipalities including Westlock County, Morinville, St. Albert, Fort Saskatchewan, and Edmonton.

The Sturgeon Agriplex garners attention from a wide swath of rural and urban population during events. Attracting both participants and spectators from the surrounding communities. The Sturgeon Agriplex aims to serve as a cornerstone for the agricultural scene in Sturgeon County and surrounding area.

Proceeds raised from sponsorship will be used to enhance facility maintenance, upgrade current amenities and expand to better provide the community with a facility that continues to meet the needs to the community and the vision of the Society.

Please review the sponsorship package and I will follow up with you to answer any questions or provide any additional information. Please make cheques payable to 'Sturgeon Agriplex Society'. In lieu of monetary donations, the SAS will be delighted to consider donations in kind (materials, services, etc.).

Thank you for your consideration. With the support of our community partners we hope to continue the achievements the society has had in the community for many more years to come. For additional details please contact the SAS via phone or email.
